

LOY KRATHONG

5&6 November 2025

Horizon Village & Resort

EVENT GUIDELINES AND ARRANGEMENTS

1. Opening Moment of Respect

Before the opening performance, all guests are kindly invited to observe a 1-minute silence to pay tribute to Her Majesty Queen Sirikit The Queen Mother.

2. Event Atmosphere

The festival will include a special exhibition honoring Her Majesty's lifelong dedication and royal initiatives – both as Queen Consort of Thailand and as the beloved partner of His Majesty King Bhumibol Adulyadej the Great. Guests are warmly invited to reflect on Her grace and legacy within an atmosphere of peace and gratitude.

3. Dress Code

Guests are encouraged to dress in soft or neutral tones such as white, cream, or pastel colors to complement the serene spirit of the evening.

As Her Majesty The Queen Mother has been a lifelong patron and advocate of Thai textiles, you are most welcome to wear traditional Thai clothing or fabric if you wish. Thai dress rental is available at the registration area. Guests may also choose to wear any light-tone outfit of their own preference – and if your attire is bright or colorful, it is perfectly fine! What matters most is that you dress politely and with respect for the occasion. 🌸
